WHEN QUALITY REALLY MATTERS

LARGE FORMAT, SCREEN & DTF PRINTING | BRANDING | ENGRAVING | EMBROIDERY | HEAT PRESS | DESIGNING

## PRODUCTION CAPACITIES AND STANDARDS

---

Using materials of international standards from overseas make our products unique. We are also using some of the high quality products made especially available for us in the local market

### Large Format

---

We are specialized in UV Large format printing using state-of-the-art machines (Anapurna) with outstanding quality in printing of Billboards, Roll up banners, Office & Vehicle branding, Stickers, Forex boards and Abs boards direct printing

### Screening / DTF Printing

---

We have some of the state-of-the-art and sophisticated machinery. We are proud of our highly qualified staff in the fields of screen/DTF-printing. Our dynamic team is attentive to the needs of our customers to ensure that we give an extra personal touch making a world of high quality products in the industry

### Embroidery

---

Another state-of-the-art and ultra-modern embroidery machine with high speed and multiple heads make it possible for us to deliver embroidery materials in a very short time

### UV and Laser Marking

---

Printing of full color or Engraving on small items, such as Notebooks, Pens, Wallets, Trophies, Stamps etc

### Dye Sublimation of Flags

---

Printing of Flags via a process of dye-sublimation which uses special inks and undergoes a post-print heating process to fix the ink into the fabric. This makes it both scuff-resistant and washable.

### Signages

---

Fabricating of all types of signages including 2D, LED, 3D Letter Cutouts, Light Box, Pylons, Directional Signages etc
